## New products for the Detergent Sector

Dear partners,

our company, after its first steps in the field of detergents, is pleased to announce that continuously enriches its range with new codes. Within the renewed website ([www.printsol.gr](http://www.printsol.gr)) you can now find in a separate section, the materials that concern you.

The company may be in the early stage of development of these products but in a short time and with your own assistance it will be able to fully meet your needs. Browse our website to print the list of products you are interested in and do not hesitate to contact us for additional products that may not be on the list.
